SPECIAL INSTRUCTIONS

All lots have been carefully attributed and grade will be found to be as noted. All material guaranteed genuine and as represented.

Be sure to enter on bid sheet correct lot number and BID BY LOT IN ALL CASES. In my last auction I found several bidding by piece and they wrote they had not read the instructions.

In this list I have again left out practically all estimates of prices. I would like to hear from bidders whether they wish me to print estimates in all cases, or only estimates on the foreign material. Every patron who is spending real money for USA coins should have the 1940 price lists. You cannot intelligently make bids without it.

There are many rare pieces in the collections offered herein. If you need a particular piece to fill out a set, send **unlimited bid,** and then you are very sure to get the coin, and will only pay 10c to 25c over the next highest bidder. I have yet to hear the first complaint from any patron sending such a bid.

Estimates will be cheerfully furnished on anything offered herewith. There is plenty of time to send for them and get in your bids before sale closes. As this is the largest and finest sale I have yet conducted, I hope to hear from every one who wishes fine coins.

The terms are cash promptly on receipt of goods. If you are bidding for the first time on my sales, mark references on back of bid sheet. I do not ask any remittance in advance. Successful bidders will be notified immediately after sale, and goods forwarded if credit references are O.K. There is no charge for executing bids, but postage paid is added to invoice.

My next sale will be held soon, and will contain a very fine lot of material both U. S. and foreign, and a fine lot of Medals. If you have a collection for sale, or have very fine, Unc. or proof material, let me list it for you. Costs you nothing for this service, and I will get you good prices or no sale. My percentage for selling varies from 5 to 20% depending on material listed. Write me at once what you have you wish to dispose of. You are guaranteed strictly reliable and business-like service. If you are still afraid to do business, I will file surety bond for any amount desired, although I have never had to do so in the past 50 years, and have handled several millions of cash.
